CONTRACT DOCUMENTS BID NO **2006-01C**

SPECIAL PROVISIONS

1. AWARD AND ADMINISTRATION:
This contract is being awarded by the North County Educational Purchasing Consortium.

2. ORDERING:
All North County Member School Districts are entitled to utilize this contract. Present members of the Consortium are: Bonsall Union; Cardiff: Carlsbad Unified; Del Mar Union; Encinitas Union; Escondido Union High; Escondido Union; Fallbrook Union Elementary; Fallbrook Union High; Julian Union; Julian Union High; Mira Costa College; Palomar College; Poway Unified; Ramona Unified; Rancho Santa Fe; San Dieguito Union High; San Marcos Unified; San Pasqual Union; Solana Beach; Spencer Valley, Vallecitos; Valley Center-Pauma Unified; Vista Unified; Warner Unified.

Other districts may be added by amendment to this contract. Each individual district listed above will be responsible for ordering, receiving, inspecting, accepting and paying for all orders placed.

3. TERMS:
All terms set forth in the bid shall apply to all districts using this contract. Terms shall include but not be limited to price, delivery, applicable discounts, service, and packaging.

4. INCREASE OR DECREASE IN PRICE
a) Increase in price. During the life of this contract, the contractor may request a price increase for good cause. Good cause will be determined in the sole discretion of the Consortium. The decision of the Consortium shall be final. The contractor is expected to perform at the bid price throughout the term of the contract. A price increase request, however, will be considered. When addressing the question of whether there is a good cause to grant a price increase, the contractor must submit a request in writing thirty (30) calendar days in advance of the next scheduled meeting of the Consortium. A determination of good cause will take into consideration increases in costs such a raw materials and labor. The contractor must present written evidence of good cause and shall bear the full burden of providing such evidence. No increase will be allowed sooner than 180 days calendar days from the date of the contract award, including thirty (30) calendar days advance written notice.
b) Decrease in price. During the life of the contract, including any extensions, there may be a general published manufacturer's price change or general market change, as evidenced by prices paid by other governmental entities or private organizations. The change in price may relate to the cost of materials, labor, or distribution of the product or service specified. Should such a change in price occur, the contractor has an affirmed duty to notify the Consortium of decreases in price and extend the full decreases to the Consortium. Failure of contractor to notify the Consortium and/or extend such decrease may be deemed a breach of contract.

5. EVALUATION CRITERIA:
This bid will be evaluated on the following factors: Price and compliance with all the aspects of the specifications. It should be noted that the Consortium reserves the right to award sections either by line item or by grouping, whichever is determined to be in the best interest of the Consortium.

6. PIGGYBACKING:
Since San Diego County Counsel has ruled that "piggybacking" is legal in the County of San Diego only in limited circumstances, vendors should be aware that if awarded a contract against this bid, under no circumstances may the Consortium's award be used to promote sales at the prices quoted.

7. LATE FEES:
In the event that the contractor fails to deliver the ordered goods by the time specified in the contract, the ordering district shall impose a late penalty charge. This late fee shall be taken as a credit against the contractor's invoice to the ordering district. The penalty charge shall be imposed at a rate of 2.5% per calendar day against the total dollar value (before tax) of the late delivered goods. This late fee shall commence on the first day following the end of the specified delivery period. Assessment of late fees shall not negate any of the other rights and remedies stipulated in the contract.

8. MINIMUM ORDERS:
Districts are encouraged to place minimum orders of $50.00, however this is not always possible. For orders under $50.00 the vendor shall have the option to assess a freight/delivery charge not to exceed the actual delivery cost to the vendor.

9. MULTIPLE AWARDS:
On this order the Consortium reserves the right to award this contract to multiple bidders.

10. DELIVERY:
It is the expectation of the Consortium that delivery will take place within thirty (30) calendar days after receipt of the order unless different arrangements are agreed upon by the ordering district. Delivery shall be made within the confines of San Diego County as designated by the ordering district.

11. BRAND NAMES AND MODEL NUMBERS:
Brand names and model numbers where specified have been shown due to existing standards set by some of the participating districts. Specific makes and models are required in some circumstances in order to be compatible with existing district equipment.

Bidders may find discrepancies in the model numbers given in that the model number may be an old one and the item is now referred to by a new number. Consideration will be given in that situation. Please note that you are bidding on the same item as specified by designating "New Number" in the "Brand/Model" area, should that be the case. Inquiries regarding such discrepancies, however, are best made in accordance with Section 9 of the Information for Bidders by contacting the Manager for the bid.

12. MATERIAL SAFETY DATA SHEETS:
Material Safety Data Sheets (MSDS) marked with the appropriate bid item number, must be included with the bid on items where indicated in the specifications. BIDDERS MAY BE CONSIDERED NON-RESPONSIVE AND BIDS MAY BE REJECTED DUE TO FAILURE TO INCLUDE MSDS WITH BID DOCUMENTS.

13. MANUFACTURER'S SPECIFICATIONS:
An additional sheet with manufacturer's specifications and a picture of the item bid, marked with the appropriate bid item number, must be included with the bid on those items so indicated in the specifications.

14. SAMPLES:
Bidders are required to submit properly marked samples of each article in Category A of the specifications, on which bid is made to the **San Marcos Unified School District**, Purchasing Department. Each sample submitted must be marked in such a manner that the marking is fixed, so that the identification of the sample is assured. Such marking shall state (1) the name of the bidder, (2) the number of the bid, (3) the item number. Bid and samples must not be sent in the same package. Samples must be submitted prior to the date and time shown for the bid opening, as stated in the Notice to Bidders.

15. TOLL-FREE TELEPHONE NUMBER
All responding vendors outside the San Diego County area must provide a toll-free telephone number on their bid form. Acceptance of collect calls is not an acceptable alternative. Failure to provide a toll-free telephone number on the bid form by vendors outside the San Diego County area may cause the entire bid to be considered non-responsive and rejected.

16. WARRANTY SERVICE
On separate company letterhead, indicate your company's warranty procedure, contact telephone number and contact person's name. Describe in detail the method to be used, on-site repair or pick-up. Carry-in warranty repair is not acceptable. Contact for service both in and out of warranty period shall be the representative of the company providing the products to the Consortium members. (Warranty instructions must be returned with bid, or bid may be rejected.)
